

## CARERI RESIDENCE

A FAMILY DIARY

#### FAMILY DIARY | THE JOURNEY

#### REMINISCE ABOUT OUR FUTURE

The Careri residence is not only a summer cottage, but a space to create and store the family's memory. It will evoke the freshness of the lake during the spring, the energy of the sun during the summer, the relaxation of the sunset during the autumn, and the coziness of staying with family during the winter. The Careri residence will set the stage for an unforgettable day, a better tomorrow, and an everlasting memory of yesterday.
