STUDIO
MUNGE

WE DO MORE THAN INTERIOR DESIGN.

We think beyond walls and floors and imagine the shared experience.

WE CREATE MORE THAN PRETTY PICTURES.

Studio Munge creates the energy that audiences respond to and brings businesses to life.

Since 1997, we have been positively impacting the communities and cities we design in.

WE IMAGINE EXCITING SPACES.

Spaces that people want to be a part of. We have a keen insight, foresight, and passion for the flow of design that brings a space to life.

MODERN COTTAGE

PLACE OF RETREAT

MODERN LAKE HOUSE

The family spent their first day in this remote lake house, set in a tangle of trees formed with astonishment, grassed with familiarity, flowering with impressions, and begging for touch and discovery, and what sounds could be drawn were faint, forgotten melodies echoing down the hallways and through the chambers, Looking out the windows as the season changes....
