

GRANZOTTO RESIDENCE

DESIGN REVIEW - FEB 08, 2020

STUDIO
MUNGE

WE DO MORE THAN INTERIOR DESIGN.

We think beyond walls and floors and imagine the shared experience.

WE CREATE MORE THAN PRETTY PICTURES.

Studio Munge creates the energy that audiences respond to and brings businesses to life.

Since 1997, we have been positively impacting the communities and cities we design in.

WE IMAGINE EXCITING SPACES.

Spaces that people want to be a part of. We have a keen insight, foresight, and passion for the flow of design that brings a space to life.

GRANZOTTO RESIDENCE

A life well designed is a life well lived. The same can be said of a home. From the moment you see it from outside and set foot in, and as one passes through each area, the space should be a flattering reflection of those who live within its walls, and it should encompass all that the resident's value and culture.

A house is not a home unless it meets the needs of those who inhabit it. The Granzotto Residence will be a home that is both comfortable and refined.

OVERALL FEEL

Timelessly sophisticated, honest in its approach to materiality, and

well-edited, the residence will be a light-filled space that is inviting, both as a space that is perfectly poised for welcoming friends for entertainment, and a haven of calm for the family
