STUDIO
MUNGE

WE DO MORE THAN INTERIOR DESIGN.

We think beyond walls and floors and imagine the shared experience.

WE CREATE MORE THAN PRETTY PICTURES.

Studio Munge creates the energy that audiences respond to and brings businesses to life.

Since 1997, we have been positively impacting the communities and cities we design in.

WE IMAGINE EXCITING SPACES.

Spaces that people want to be a part of. We have a keen insight, foresight, and passion for the flow of design that brings a space to life.

INSPIRATION

The Shulkhan Arukh states: "It is forbidden to make complete solid or raised images of people or angels, or any images of heavenly bodies except for purposes of study". But instead, florals was a common motif in ancient Hebrew.
