WE DO MORE THAN INTERIOR DESIGN.

We think beyond walls and floors and imagine the shared experience.

WE CREATE MORE THAN PRETTY PICTURES.

Studio Munge creates the energy that audiences respond to and brings businesses to life.

Since 1997, we have been positively impacting the communities and cities we design in.

WE IMAGINE EXCITING SPACES.

Spaces that people want to be a part of. We have a keen insight, foresight, and passion for the flow of design that brings a space to life.

A STORY OF REUNION

TOLD THROUGH THE LENS OF THE
INTERIOR DESIGN

*"Meeting across the milky way
through the varying shapes of the delicate clouds,
the sad message of the shooting stars,
a silent journey across the milky way.
One meeting of the cowherd and weaver amidst the golden autumn wind and
jade-glistening dew,
eclipses the countless meetings in the mundane world.
The feelings soft as water,
the ecstatic moment unreal as a dream,
how can one have the heart to go back on the bridge made of magpies?
If the two hearts are united forever,
why do the two persons need to stay together—day after day, night after night?"*
