THE NARRATIVE FASHION & LIFESTYLE

VAN CLEEF AND ARPELS

Inspired at once by the crisp elegance of high-end luxury brands – the likes of Van Cleef & Arpels; Rolex; Rolls Royce; Hermès.

The unmistakable poise these brands represent, with their storied histories and their rich use of materials – manifest themselves in layered, uncompromising material selection throughout.

THE NARRATIVE EXTERIOR FACADE

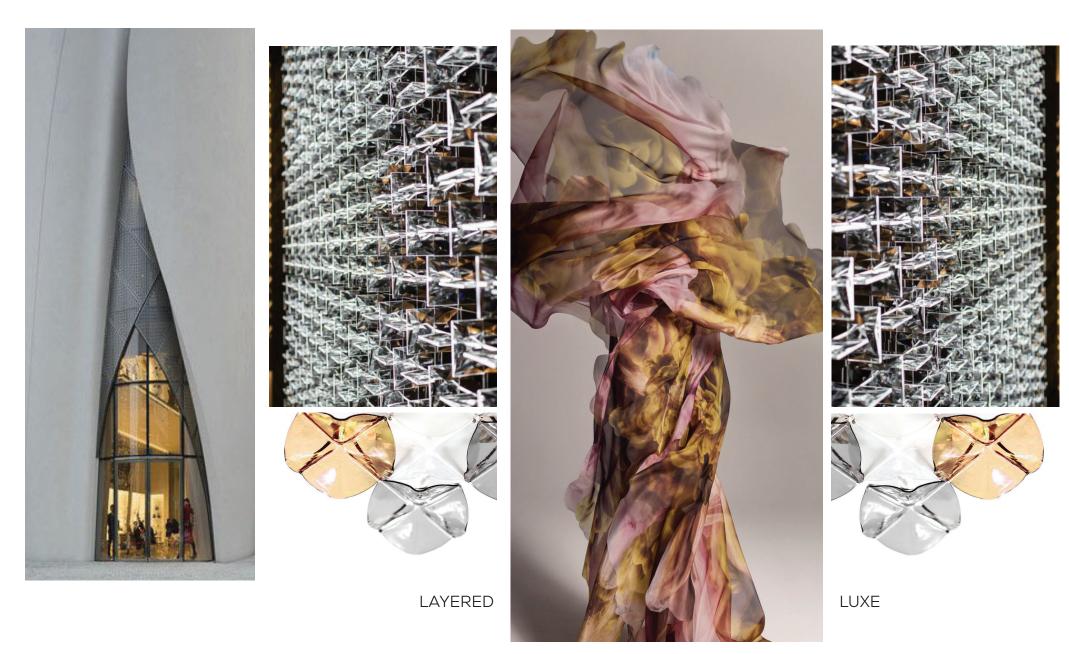

4

An elegant, monumental entrance and facade greet guests, unveiling a refinement not typically found in a gaming setting, instantly allowing them to be transported from the hectic to the serene.

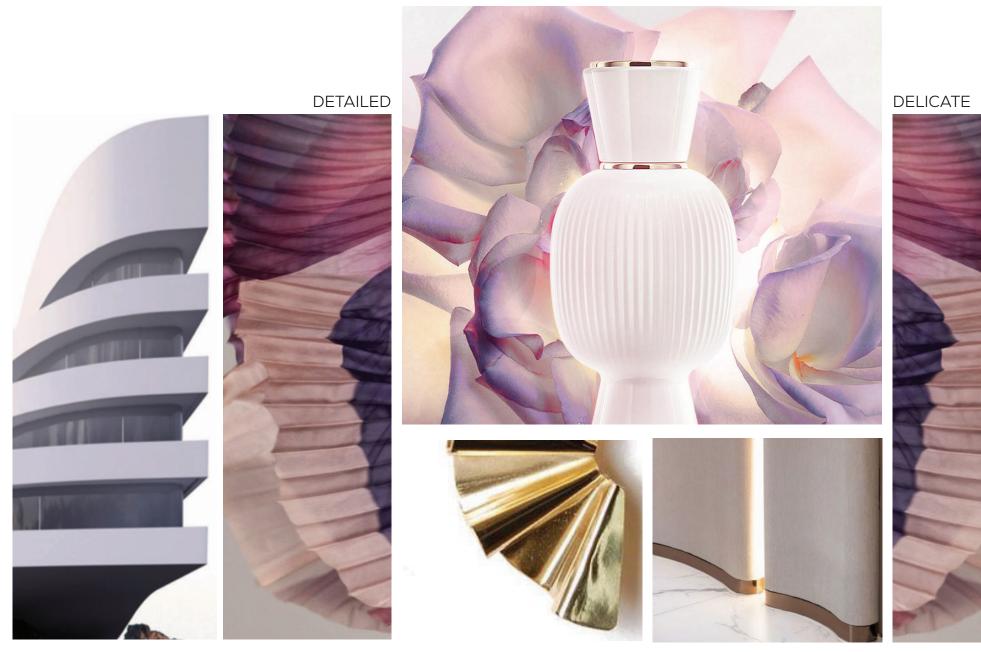

THE NARRATIVE ENTRANCE EXPERIENCE

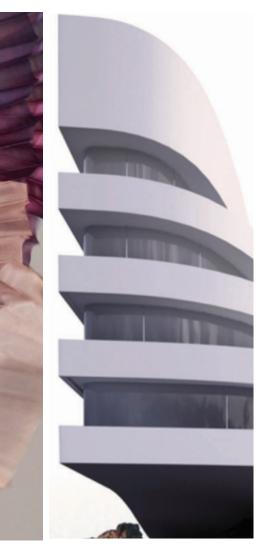

THE NARRATIVE GAMING

The Gaming area is the realization of the progress through the space. The guest is transported into yet another world, An elegant space which references the concept of the sophisticated formality and polished refinery; A beautiful, eccentric jewel. Rich, fine and joyful in its detail, the Gaming area allows the guest to feel at once pampered and relaxed.
